## **Career Opportunities: Postdocs and Graduate students**

We are looking for graduate (Ph.D.) students interested cellular neurophysiology in awake-behaving animals to study cognition and/or develop neurotechnologies.

**AGS NGS** and **returning A\*STAR scholars** are welcome to apply to the lab.

Ph.D. fellowships for Singaporeans and international students are administered through:

- Agency for Science, Technology and Research (A\*STAR): <https://www.singa.a-star.edu.sg/>
- National University of Singapore (NUS): <http://www.nus.edu.sg/ngs/AGS.html>

Post-doctoral candidates can apply directly to Camilo ([camilo@nus.edu.sg](mailto:camilo@nus.edu.sg))
